

## American Lincoln Parts

American Lincoln Parts - The American Lincoln division is presently associated with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machines which are known within the industry as strong and durable equipment that satisfies all the requirements of heavy industry and larger infrastructure. Products made in America; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery operated walk behind version of floor scrubber together with the Clarke Company who is currently also owned by Nilfisk Advance. Their production operations are mainly based in Springdale Arkansas. These types of scrubbers are accessible in the market under the brand name "Encore". American Lincoln has the ability to supply parts, warranty service and machinery for these scrubbers that have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice machine of huge distribution centers like Target and Wal-Mart. The 7765 line has earned the respect of many facility supervisors where results and efficiency make a difference. Recently, this floor scrubber model has been used by the architects in different construction jobs like Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this particular sweeper scrubber on site because of the model's high standard of quality and supreme performance level for polishing concrete.
