

Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning industry. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than sixty years combined experience with effectively manufacturing, designing, developing, marketing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are devoted to offering top quality and new design concepts so as to meet the diverse needs of their clients.

In their product development; TREK Cleaning Machines continually provides fresh design ideas. They like providing products which energize both their dealers and their partners and offer production gains to their clients.

The team at TREK enjoys handling new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' skills and needs along with their knowledge of cleaning applications, along with owners' strong desire to dramatically reduce cost through productivity gains.

When needed, the employees within TREK and its several dealer members in both technical support and parts will be available. One of their core values is their high service devotion in their customer service. Keeping their clients' cleaning equipment functioning and ready daily is top priority. The company's top of the line technology delivers reliable machine which eventually reduces your cost of cleaning. The product, the price and the service all work together to make them the leader in the industry.
